

## Member Engagement Committee OPPORTUNITIES AVAILABLE....

### 1. [Member Engagement Committee Member](#)

This committee focuses on identifying member engagement opportunities and placement of volunteers into suitable roles. The committee creates and updates communications about opportunities and establishes and maintains follow-through of communication regarding opportunities that might match the identified member. The committee strives to appropriately place members, and if unable to do so, the committee follows up with the member and explains the wait list process to complete the communication loop. The goal is to ensure a member's engagement offer is welcomed and supported by identifying an appropriate opportunity, when possibly, that makes use of the member's talents and benefits the Conference of Consulting Actuaries (CCA).
